The unfinished business from last meeting was taken up. viz: the revision of the Town Ordinances. after a pretty thorough overhauling the old and substituting new ordinances the work was finished & upon motion a proof-sheet was ordered to be made & presented to the Board and to an Attorney for inspection and finally to be presented before the Board for ratification. A motion to ~~prevail~~ pay our late Mayor whatever amt was found due, after Taxes &c were deducted, for six Months service brought out the fact that no Mayor's Docket had been found, consequently the Board could not act advisedly and a Committee consisting of H. H. Patterson. Thos F. Lloyd and the Secretary was appointed to make an investigation and learn whether a Docket was kept & if so present it before the Board before a Settlement of the account. Nothing further appearing a motion to adjourn prevailed
