Re: Comprehensive Greenways & Bicycle Facilities Master Plan

Dear Mr. Webster,

I would like to thank your office for alerting us of your Comprehensive Greenways & Bicycle Facilities Master Plan. We have reviewed the list and have noted the OWASA projects that are located in the vicinity of the proposed facilities. We have highlighted and labeled the project areas on the attached map and have flagged the project descriptions in our CIP 2006-2020 notebook, also attached. The project numbers noted on the highlighted map correspond to OWASA CIP project numbers and our project timing can be found in the description for each project in the CIP 2006-2020 notebook.

Please continue coordinating these projects with us and let us know the timing for projects that move into construction. Thank you and please let us know if you have any questions. Feel free to call Melissa Tafilaku at (919) 537-4297 or myself at (919) 537-4241.

Sincerely,

Imtiaz Ahmad, P.E.
Director of Engineering and Planning
