**Guiding Principles**

**Join the Partnership!**

The Safe Routes to School National Partnership is working to advance the Safe Routes to School movement nationwide. We are playing a key role in making sure that the new federal Safe Routes to School program gets off to the right start. Organizations joining the partnership commit to abide by the Memorandum of Understanding and support partnership efforts.

**Before joining, please read the following:**

[Consensus Statement](#)

[Memorandum of Understanding](#)

[Groups Who've Joined](#)

By signing below, my organization agrees to abide by the Memorandum of Understanding and be a supporting member of the Safe Routes to School National Partnership.
