To the Chapel Hill Planning Department,

The Language Center is a language immersion (French & Spanish), Montessori-based, non-profit, licensed daycare facility currently leasing space in the Chapel Hill Kehillah. We currently have 44 children enrolled in the school and have been at this location for five years.

I have been personally assured by the Co-President of the Chapel Hill Kehillah; Dr. Stanley Robboy; that the Chapel Hill Kehillah's proposed park and ride facility will not impact our school's constituents in a negative way. It is my understanding that if the SUP is approved, we will collaborate with the Kehillah to develop a parking safety plan based on the projected 2006-7 enrollment of the Kehillah Jewish Preschool and The Language Center.

Regards,

Andrew W. Kennedy
