Regarding permission to partially close certain parts of the Southern Village Development on June 10, 2006 between 9.00 am and 6.00pm

Mayor and Town Council of Chapel Hill, North Carolina

Dear Mayor and Town Council of Chapel Hill, North Carolina

Our organization is respectfully requesting permission to close certain parts of the public roads surrounding Market Street in Southern Village for the purpose of hosting a US Cycling Federation (USCF) sanctioned series of bicycle races on June 10th 2006. The races will run from 9.00am until noon, then from 1.00pm through 6.00pm with breaks between races allowing traffic to flow.

We have the support of the Montgomery Development Carolina Corporation (the entity that brings events to Southern Village as well as the support of Rosemary Waldorf and the Southern Village HOA.

The purpose of this race event is to comply with our requirements as a licensed USCF race team in hosting one race per year. Proceeds will go towards prize money, however, we are planning to have Lineberger Comprehensive Cancer Center auction off a Lance Armstrong signed item for charity at the intermission.

I have attached a copy of our race flyer as well as the approved race course for your information.

Sincerely,
Adrian Carter
