SUBJECT: PROPOSED ON-STREET PARKING REGULATIONS FOR NORTH ROBERSON STREET

Dear Resident:

The Town is evaluating the current on-street parking conditions on North Roberson Street near Hargraves Community Center. Under current parking regulations, vehicles are not permitted to park on both sides of the street except parking is permitted on Sundays on west of the street.

We are proposing to allow on-street parking on east side of the street during special events at the Hargraves Community Center. No changes to the west side are proposed and the parking will continue to be prohibited. As part of our evaluation, we would like to know your opinion about the proposed change.

Please fill out the survey below and return it to us in the attached envelope by March 19, 2007.

- Yes, I support parking on east side of North Roberson Street during special events at Hargraves Center.
- No, I do not support the proposed change in on- street parking regulations for North Roberson Street.
