Mr. Stancil,

I am writing in order to enter into negotiations regarding The Peoples Channel's Performance Agreement. Last time the contract was negotiated, there were only minor changes made. However, due to the changes in legislation regarding video franchising, I feel that it is important to take a closer look at the agreement. I am working through the agreement now, and will forward my preliminary thoughts Catherine Lazorko. I imagine this process can be managed fairly quickly.

The Peoples Channel looks forward to another three years of serving the Town of Chapel Hill and it's citizens.

Sincerely,

Chad A. Johnston
