Subject: Petition for the Town Council

9/22/09

Mr. Neppalli

As a resident of Southern Village, I am requesting a submission to petition the Chapel Hill Town Council for changes at three intersections/crosswalks in Southern Village that are currently a hazard in particular to children going to and from school - (given the high amount of pedestrian, bike and car traffic and speeds that cars are going/visibility issues):

The three areas/changes requested are:

1. on Aberdeen Drive: a raised crosswalk where currently there is just a painted crosswalk and no parking signs
2. at Graylyn and Edgewater intersection:
change the crosswalk to a high visibility crosswalk and also change to a 3 way stop
3. at Brookgreen and Edgewater intersection:
change the crosswalk to a high visibility crosswalk

I have spoken with many other residents who are in agreement with this petition as we are particularly concerned about the safety of all the children who are using these intersections/crosswalks when they travel to and from school and there has already incidents injuries with children and vehicles impacting one another.

Thanks you very much for your attention to this safety hazard. If you have any questions, please let me know.

Sincerely
Shell Brownstein
