Subject: 4 way stop at Emory and LeCair in Briarcliff

Hi Mr. Neppalli,

I was wondering if there was any hope in getting a 4 way stop at the corner of LeClair and Emory. There are 2 different school buses (middle and hs), a special ed bus and the city bus that stops there. I am concerned that kids running for the bus, or just standing in the street (there are no sidewalks) could inadvertently be hit by someone rushing to work/whatever.

Is there any hope of getting a stop sign there that is 4 way, so the stop would also be on LeClair?? Can I assist in this process??

Best Regards,
