Walgreens

Additional Information

- **Peak Hour traffic counts** – conducted February 10, 2010
- **Accident Statistics** – 3 year period (1/1/2007-12/31/2009)
- **Alternative Designs for Intersection** – pork chop vs. median

Walgreens

Revised Resolution A

- **South Estes Drive** – remove recommendation for median and add a right-in/right-out pocket island
- **East Franklin Street** – Reduce width of median to 3 feet
- **Adjust Payment-in-lieu** – redirect \$4,000 payment-in-lieu for bicycle loops toward additional traffic studies
