**SUMMARY OF BICYCLE AND PEDESTRIAN
ADVISORY BOARD ACTION**

ATTACHMENT 5

Subject: Draft 2007-2013 Durham-Chapel Hill-Carrboro Transportation Project
Priority List

Meeting Date: August 23, 2005

The Bicycle and Pedestrian Advisory Board make the following comments by consensus that:

- The Estes Drive project is incorrectly described on page 86 of the Draft Regional Priority List. It should read "Add sidewalk Curtis Road to Franklin Street and pedestrian signal at Chapel Hill Library Drive".
- Regarding the Martin Luther King Jr. Boulevard project described on page 91 of the Draft Regional Priority List, the words "bicycle improvements" need to be added to the description to accurately reflect the Chapel Hill Priority list. Please also inform the DCHC MPO staff that the Town has received a Pedestrian and Bicycle Safety and Mobility Study of NC86/Martin Luther King Jr. Boulevard (Historic Airport Road). The study was prepared by UNC Highway Safety Research Center and its existence may enhance the projects ranking.
