**SUMMARY OF BICYCLE AND PEDESTRIAN
ADVISORY BOARD ACTION**

Subject: **UNC Cogeneration Plant -Application for Modification to Special Use Permit**

Meeting Date: August 23, 2005

1. **Recommendation:** The Bicycle and Pedestrian Advisory Board recommends that the Council approve the application as set out in Resolution A of the Town Manager's Report with the following information to the applicant concerning Stipulation 4 "Bicycle Parking"

Information to Applicant:

1. For the purpose of complying with the Class 1 parking requirement of stipulation 4 "Bicycle Parking" the Board considers that the applicant's already have adequate covered bicycle parking within the plant compound. However, for the purpose of complying with the Class 2 parking requirement of stipulation 4, the Board considers that publicly accessible visitor parking is deficient on site. Instead of the applicants proposed extension to the existing covered bicycle parking area (which is not accessible for visitors to the facility), the Board recommends that the applicants provide 2 "U" racks in a publicly accessible location (sited outside of the Gore building).

Vote: 6 - 0.
