Dear Mr. Norris,

I received your letter dated September 15, 2005 informing me of your staff's inspection of the property at 720 Lea Court. Also enclosed was a copy of the violation notice. After careful study of both your letter and the violation notice I am unclear on what specific items in the yard will be cleaned up.

For purposes of clarification, I have enclosed a photograph of an area of the yard that is in violation of Section 9-114 of the Minimum Housing Code. The photograph clearly shows open storage of "building material, building rubbish or similar items". It is harboring rodents. I would like this area cleaned up since it is in violation of code.

I would like to know from you if the area in the photograph was specifically cited in the violation notice. Will it be dismantled and cleaned up as part of the overall "organizing" of the property? Please reply in writing at your earliest convenience.

Sincerely,

Cynthia L. Allen
