Petition to the Chapel Hill Town Council
from
The Residents and Homeowners of Colonial Heights
in Support of Rezoning this Neighborhood from R-2 to R-1

Whereas,

- the undersigned residents and homeowners of Colonial Heights desire to maintain the single-family residential character of their neighborhood;
- the majority of residences in this neighborhood are single-family dwellings;
- the homeowners and residents wish to halt the proliferation of duplex rental housing and limit runaway subdivision of existing lots, both of which will lead to an increase in traffic, noise, crime potential, destroying the aesthetic character and quiet of the neighborhood;

Now therefore,

The undersigned homeowners and residents do present this petition requesting that the Chapel Hill Town Council take the following action:

1. Consider and approve a change in zoning for the aforementioned neighborhood from R-2 to R-1;
2. Expedite the rezoning process.

We thank the council in advance for its attention to this matter.
