

**Status of Intersection Improvements
Transportation Board Recommendations
05/10/02**

1. Airport Rd and Weaver Dairy Rd	Crosswalk and pedestrian signals on both sides of Airport Rd (north and south approaches).	Under Investigation	NCDOT
2. Erwin Rd and Weaver Dairy Rd	Crosswalk and pedestrian signal across Weaver Dairy Rd and one side of Erwin Rd.	Not recommended due to very low pedestrian volume and limited budget.	NCDOT
3. Manning Dr and Ridge Rd	Need signs with arrows for pedestrian push buttons. Repaint of crosswalks.	Completed by Town staff (Dec. 2000)	Town
4. Manning Dr and East Dr	Remove no turn on red sign. Change signal timing.	Completed by Town staff (Nov. 2000)	Town
5. Manning Dr and Hibbard Rd	Add left turn signal and repaint the crosswalks.	Repainted crosswalk. Project currently underway to upgrade traffic signal and pedestrian signals at this location	NCDOT
6. Manning Dr and Fordham Blvd	Crosswalk and pedestrian signal on west side. Concrete island needs a handicap ramp.	Under investigation	NCDOT
7. Fordham Blvd and Old Mason Farm Rd	Need a crosswalk/pedestrian signal on north side.	Under investigation	NCDOT
8. Columbia St and Culbreth Rd	Need a crosswalk and pedestrian signal on west side	Crosswalk and pedestrian signal will be installed on Culbreth Road	Developer
9. Ephesus Church Rd and Legion Rd	Need to change signal timing. Add a lane or change signal. Bus stop nearby lacks sidewalk.	Signal timing was changed. Town staff will recommend widening Legion Road as a part of recent development application in this area	Town
10. Ephesus Church Rd and Fordham Blvd	Need a crosswalk on Ephesus Ch Rd from hotel side to connect with the existing crosswalk.	Under investigation Town staff concurs with the recommendation	NCDOT
11. Cameron Ave and Pittsboro St	Need crosswalk and pedestrian signal across Cameron Ave. Warning sign for pedestrians and cyclists explaining that light may be green for traffic in the opposite direction.	Under investigation Town staff concurs with the recommendation for crosswalk and pedestrian signal.	NCDOT

**Status of Intersection Improvements
Transportation Board Recommendations
05/10/02**

12. Cameron Ave and Ransom St	Need to add a pedestrian signal and button across Cameron Ave. Crosswalk needs to be repainted.	Crosswalk repainted by the Town. Pedestrian signals are not recommended due to low volume and limited budget. Crosswalk will be repainted summer of 2002.	Town
13. Homestead Rd and Seawell School Rd	This light may need a turn signal or a no turn on red sign due to poor visibility for turning cars	Homestead Road widening will accommodate a turn signal.	NCDOT
14. Estes Dr Ext. and Seawell School Rd	Need a crosswalk and pedestrian signal on west side of Estes Dr. Light is not triggered by bikes.	Not recommended due to very low pedestrian volume and limited budget. Signal actuation by bikes is not economically feasible.	Town
15. Umstead Rd Crosswalk	Need to repaint the crosswalk	Completed by Town staff (October, 2000).	Town
16. NC 54 and Burning Tree Dr	Need crosswalk and pedestrian signal on west side of NC 54	Under investigation	NCDOT
17. NC 54 and Hamilton Rd	Implement Hamilton Rd/NC 54 workgroup recommendations.	School Zone flashing signals and countdown pedestrian heads installed. Remaining will be installed in 2002.	Town and NCDOT
18. NC 54 and Friday Center	Need one crosswalk and pedestrian signal across NC 54	Not recommended due to very low pedestrian volume and limited budget.	NCDOT
19. Columbia St with NC 54 ramps	Need crosswalk on ramp (east side of Columbia) and need southern village bike lane	Installed crosswalk and pedestrian signals. Southern Village bike lane was installed.	Developer
20. Columbia St and Mason Farm Rd	Crosswalk needed on both streets.	Crosswalk exists at the intersection. No action needed.	Town
21. Columbia St and Frat Court	Need wheel chair ramps for crosswalk	NCDOT will install by end of summer 2002.	NCDOT

**Status of Intersection Improvements
Transportation Board Recommendations
05/10/02**

22. Franklin St and Merritt Mill Rd	No turn on red sign is need and perhaps a pedestrian signal that stops traffic in all directions.	Under investigation	NCDOT
23. Rosemary Street Signal Intersections (all the signals on Rosemary Street)	Need Crosswalks to cover all the street intersections.	Most of the intersections have crosswalks.	Town
		Remaining not recommended due to low pedestrian volume and limited budget.	
24. Franklin St and Boundary Ln	Need wheelchair ramps for crosswalk.	NCDOT will install by end of summer 2002.	NCDOT
25. Franklin St and Raleigh Street	Crosswalk needed on north side.	Signal/Pedestrian upgrade being planned for intersection	NCDOT
26. Franklin St and Estes Dr	Reposition buttons and add signs showing direction of crossing for each button.	Completed by Town staff (Dec. 2000)	Town
27. Franklin St and Elliott Rd	Needs pedestrian signal	Crosswalks, pedestrian signals, and left turn signals from Elliott Rd to Franklin Steet will be installed by summer of 2002.	Developer/NCDOT
28. Franklin St and Eastgate Entrance	Need Crosswalk on Eastgate Rd. Need Crosswalk, button, pedestrian signal on east side of Franklin St.	Construction underway as part of Town Greenway Project.	Town
29. Fordham Blvd and Europa Dr	Need a crosswalk on Europa Rd near service road. Need a crosswalk and signal on Fordham Blvd.	Town and NCDOT are working on improving this intersection with "super street" concept. Super Street concept will provide opportunity for safe pedestrian mobility at this location.	Town and NCDOT
30. Smith Level Rd with NC 54 Ramps and Merritt Mill Rd	Need Pedestrian signal and button at current crosswalk on ramp.	Under Investigation	NCDOT
