RE: Stop Signs on N. Lakeshore Drive

Dear Resident,

The Town has received a request from a resident to install multi-way stop signs on N. Lakeshore Drive at several locations.

The Town has completed an evaluation of the area. The requested stop signs would require motorists travelling on N. Lakeshore Drive to come to a stop at each public street intersection between S. Lakeshore Drive and Brookview Drive as shown on the attached map. Before a recommendation is made to the Town Council, we would like to know your opinion regarding the requested stop signs. Please fill out the attached survey form and return it in the attached envelope by March 25, 2002.

If you have any further questions concerning this matter, please contact me at 968-2833.

Sincerely,

Kumar Neppalli
Traffic Engineer
