Dear Mr. Tolson:

Recently, the Chapel Hill Town Council adopted a resolution endorsing improvements on South Columbia Street between Manning Drive and Purefoy Road. Mayor Rosemary Waldorf conveyed this resolution to you by her letter of October 13, 1998.

I also wanted to provide you my strong endorsement of this important project on behalf of the University of North Carolina at Chapel Hill.

The project will provide improved traffic flow and pedestrian safety for one of the main entryways into Chapel Hill and the University. I do hope that the work can be completed as expeditiously as possible.

Thank you for your superb support of this critical project.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Hooker".
