Norris Tolson, Secretary  
N.C. Department of Transportation  
P.O. Box 25201  
Raleigh, NC 27611-5201

Dear Secretary Tolson:

Let me thank you for the opportunity to meet with you and Board of Transportation member Doug Galyon recently to discuss improvements to South Columbia Street (N.C. 86) between Manning Drive and Fordham Boulevard.

The University is pleased to join with the Town of Chapel Hill in supporting a limited improvement project for South Columbia Street. Although limited, we believe the project would significantly improve access both to UNC Hospitals and to the UNC campus with minimal impact on nearby properties.

We stand ready to work with the Town and with the North Carolina Department of Transportation to achieve a design for these improvements that would meet all of our objectives.

Thank you for your consideration of this important matter.

Sincerely,

Elson S. Floyd  
Executive Vice Chancellor
