

**Status of Intersection Improvements
Transportation Board Recommendations
04/26/04**

Intersection	Recommendation	Status	By
1. Airport Rd and Weaver Dairy Rd	Crosswalk and pedestrian signals on both sides of Airport Rd (north and south approaches).	Completed in Fall 2003	NCDOT
2. Erwin Rd and Weaver Dairy Rd	Crosswalk and pedestrian signal across Weaver Dairy Rd and one side of Erwin Rd.	Not recommended due to very low pedestrian volume and limited budget.	NCDOT
3. Manning Dr and Ridge Rd	Need signs with arrows for pedestrian push buttons. Repaint of crosswalks.	Completed by Town staff (Dec. 2000)	Town
4. Manning Dr and East Dr	Remove no turn on red sign. Change signal timing.	Completed by Town staff (Nov. 2000)	Town
5. Manning Dr and Hibbard Rd	Add left turn signal and repaint the crosswalks.	Completed in Summer 2002.	NCDOT
6. Manning Dr and Fordham Blvd	Crosswalk and pedestrian signal on west side. Concrete island needs a handicap ramp.	Not recommended due to very low pedestrian volume and limited budget.	NCDOT
7. Fordham Blvd and Old Mason Farm Rd	Need a crosswalk/pedestrian signal on north side.	Not recommended due to very low pedestrian volume and limited budget.	NCDOT
8. Columbia St and Culbreth Rd	Need a crosswalk and pedestrian signal on west side	Crosswalk and pedestrian signal installed on Culbreth Road in September 2002	Developer
9. Ephesus Church Rd and Legion Rd	Need to change signal timing. Add a lane or change signal. Bus stop nearby lacks sidewalk.	Signal timing changes implemented. Staff recommended widening Legion Road and installing sidewalks as part of new development application(s) in this area.	Town
10. Ephesus Church Rd and Fordham Blvd	Need a crosswalk on Ephesus Ch Rd from motel side to connect with the existing crosswalk.	Under investigation Town staff concurs with the recommendation	NCDOT
11. Cameron Ave and Pittsboro St	Need crosswalk and pedestrian signal across Cameron Ave. Warning sign for pedestrians and cyclists explaining that light may be green for traffic in the opposite direction.	Under investigation Town staff concurs with the recommendation for crosswalk and pedestrian signal.	NCDOT

**Status of Intersection Improvements
Transportation Board Recommendations
04/26/04**

Intersection	Recommendation	Status	By
12. Cameron Ave and Ransom St	Need to add a pedestrian signal and button across Cameron Ave. Crosswalk needs to be repainted.	Crosswalk repainted by the Town. Pedestrian signals and push buttons are included in the 2004-05 CIP Program using Bond funds.	Town
13. Homestead Rd and Seawell School Rd	This light may need a turn signal or a no turn on red sign due to poor visibility for turning cars	Homestead Road widening will accommodate a turn signal (TIP Project).	NCDOT
14. Estes Dr Ext. and Seawell School Rd	Need a crosswalk and pedestrian signal on west side of Estes Dr. Light is not triggered by bikes.	Not recommended due to very low pedestrian volume and limited budget. Signal actuation by bikes is not economically feasible.	NCDOT
15. Umstead Rd Crosswalk	Need to repaint the crosswalk	Completed by Town staff (October, 2000).	Town
16. NC 54 and Burning Tree Dr	Need crosswalk and pedestrian signal on west side of NC 54	Under investigation	NCDOT
17. NC 54 and Hamilton Rd	Implement Hamilton Rd/NC 54 workgroup recommendations.	School Zone flashing signals and countdown pedestrian heads installed. Rumble strips and pavement treatment for crosswalks were installed in 2003. Rumble strips on the westbound travel lanes of NC 54 were removed in 2004 because of a noise complaint.	Town and NCDOT
18. NC 54 and Friday Center Dr	Need one crosswalk and pedestrian signal across NC 54	Not recommended due to very low pedestrian volume and limited budget.	NCDOT
19. Columbia St with NC 54 ramps	Need crosswalk on ramp (east side of Columbia) and need southern village bike lane	Crosswalk and pedestrian signals and bike lane installations completed.	Developer
20. Columbia St and Mason Farm Rd	Crosswalk needed on both streets.	Crosswalk exists at the intersection. No action needed.	Town
21. Columbia St and Frat Court	Need wheel chair ramps for crosswalk	Installed in 2003.	NCDOT

**Status of Intersection Improvements
Transportation Board Recommendations
04/26/04**

Intersection	Recommendation	Status	By
22. Franklin St and Merritt Mill Rd	No turn on red sign is need and perhaps a pedestrian signal that stops traffic in all directions.	Under investigation	NCDOT
23. Rosemary Street Signal Intersections (all the signals on Rosemary Street)	Need Crosswalks to cover all the street intersections.	Pedestrian signals and push buttons are included in the 2004-05 CIP Program using Bond funds.	Town
24. Franklin St and Boundary Ln	Need wheelchair ramps for crosswalk.	Crosswalks, Pedestrian signals, and others planned for construction in Fall 2004.	NCDOT
25. Franklin St and Raleigh Street	Crosswalk needed on north side.	Crosswalks and pedestrian signals are approved and planned for construction in Fall 2004.	NCDOT
26. Franklin St and Estes Dr	Reposition buttons and add signs showing direction of crossing for each button.	Completed by Town staff (Dec. 2000)	Town
27. Franklin St and Elliott Rd	Needs pedestrian signal	Crosswalks, pedestrian signals, and left turn signals from Elliott Rd to Franklin Street were installed in Summer 2002.	Developer/NCDOT
28. Franklin St and Eastgate Entrance	Need Crosswalk on Eastgate Rd. Need Crosswalk, button, pedestrian signal on east side of Franklin St.	Completed in Summer 2002 as part of Greenway Project	Town
29. Fordham Blvd and Europa Dr	Need a crosswalk on Europa Rd near service road. Need a crosswalk and signal on Fordham Blvd.	"Super Street" project include pedestrian amenities at this location. Construction in spring 2006.	Town and NCDOT
30. Smith Level Rd with NC 54 Ramps and Merritt Mill Rd	Need Pedestrian signal and button at current cross-walk on ramp.	Under Investigation	NCDOT
