

MEMORANDUM

TO: Mayor Foy and Council
 FROM: Terry Blalock, Chair, Parks and Recreation Commission
 RE: Recommendation to remove existing play structure at Jones Park
 DATE: March 16, 2006

At the January 18, 2006 meeting of the Parks and Recreation Commission, the Commission voted unanimously (9-0) to recommend that the existing play structure at Jones Park be removed as soon as possible due to safety concerns.

We have asked the Parks and Recreation Department staff to provide park land maps, including Resource Conservation District (RCD) and topographical information, at the May 2006 Commission meeting so that we can consider potential amenities that may be recommended in the future.

The Commission appreciates the opportunity to review and make a recommendation regarding the Jones Park play structure.
