Kumar,

Mark asked me to look into the request for Framer Market signs on US15-501 at NC 54 also at US 15-501 at the entrance to Southern Village. These farmers market does not meet the warrants for signing. It falls under the warrants for a major traffic genarador that requires 250,000 trips a year. I called Ms Sheila Neal as you requested and let her know that we could not sign. If you need more information please let me know.
