

**SUMMARY OF BICYCLE AND PEDESTRIAN
ADVISORY BOARD ACTION**

Subject: **Traffic Calming Plan for Dogwood Acres Drive at the Proposed Southern Community Park**

Meeting Date: January 24, 2006

Recommendation: The Bicycle and Pedestrian Advisory Board supports the traffic calming measures proposed and has always supported traffic calming of Dogwood Acres Drive. However, based on the petitioner's presentation, it is not supportive of Dogwood Acres Drive being the primary entrance to the park and prefers the original plan in this respect with 40 parking spaces in the southern lot.
