James Moeser, Chancellor
The University of North Carolina at Chapel Hill
103 South Building, CB #9100
Chapel Hill, NC 27599-9100

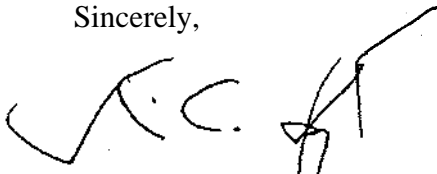

Dear James:

We are writing in response to your letter of June 9th, and to confirm our recent telephone conversation regarding the initiation of a transit master plan. We are very pleased to move forward together on the transit study, as outlined in the June 9th draft from Chapel Hill. In addition, we have agreed to a steering committee that would consist of four representatives from UNC, two representatives from Carrboro, and two representatives from Chapel Hill.

It is our hope that we can quickly begin work on the transit study, so that we can maximize its usefulness as we jointly plan for our future growth. We would suggest that all the participants appoint steering committee members within the next two weeks, and that the committee meet at the earliest opportunity to begin its work.

Again, we look forward to working together on this important endeavor.

Sincerely,

Kevin C. Foy
Mayor, Chapel Hill
