Subject: resident only permit parking

Dear Mr. Neppalli,

I would like to request resident only permit parking for Gooseneck Rd. Last year when Whitehead Circle and Whitehead Rd were designated you forgot to add our street. Unfortunately, all the folks have already started parking in front of my house for the exhibition basketball game last night. I would like to have this done as soon as possible as the start of the real basketball season is fast approaching. Please call or email me if you have any further questions.

Thank you for your time.

Best regards,

Julie and Bret Jennings
