Subject: Area Map Lowes Home Care Center Expansion

I am a resident at Providence Glen, 632 Ives Ct and received your notification dated Oct 18, 2006.

Unfortunately, I was out of town and couldn't join the indicated meeting.

Could you please provide me with a summary of the outcome or tell me how to find it on the web.

I am not excited about the expansion plan because my apartment is exactly facing this direction and my view will deteriorate and at nights it will be even brighter.

Could you please tell me how I can raise my concerns in a written form because I currently live and work in Germany and therefore use the apartment not so frequently.

Best regards,
Andreas Salge
