

SUMMARY OF TRANSPORTATION BOARD ACTION

Subject: Chapel Hill Country Club-Application for Special Use Permit

Meeting Date: February 8, 2007

Recommendation: The Transportation Board voted 6-0 to recommend the Council approve Resolution A with the following modification:

- That the speed table proposed for construction by the Town along Lancaster Drive be aligned with the sidewalk to be constructed by the applicant from the Club House to Lancaster Drive. The speed table should be improved to function as a pedestrian crosswalk, providing access between the sidewalks along Lancaster Drive, with appropriate marking and signage.
