

SUMMARY OF TRANSPORTATION BOARD ACTION

Subject: NC86/Martin Luther King Jr. Blvd and Town-Wide Pedestrian Safety Evaluation Study

Meeting Date: March 22, 2007

Recommendation: The Transportation Board voted 6-0 to recommend the Council adopt recommendations of NC86/Martin Luther King Jr. Blvd and Town-Wide Pedestrian Safety Evaluation Study with the following comments:

- That priority be given to completing the sidewalk along the east side of Martin Luther King Blvd, between Homestead Road and Estes Drive.
- Pedestrian crossings at bus stops be designed to include high visibility elements such as bold striping and lighting.
