FIRE DEPARTMENT

PROPOSED FEE SCHEDULE CHANGES

Facility/Activity Operational permit required to manufacture, store or handle an aggregate quantity of Level 2 or Level 3 aerosol products in excess of 500 pounds. Operational permit required to operate a special amusement building. Operational permit required to conduct a carnival or fair. Permit required to install stationary lead-acid battery systems having a liquid capacity of more than 50 gallons. Operational permit required to store, handle or use cellulose nitrate film in a Group A occupancy. Operational permit required to operate a grain elevator, flour starch mill, or a plant pulverizing aluminum, coal, cocoa, magnesium, spices or sugar, or other operations producing combustible dusts. Operational permit required for the manufacture, storage, handling, sale or use of any quantity of explosive, explosive material, fireworks or pyrotechnic special effects within the scope of this code. Operational permit are required for flammable and combustible liquids. Operational permits are required for flammable and combustible liquids. 1. To use or operate a pipeline for the transportation within facilities of flammable or combustible liquids. 2. To store, handle or use Class I liquids in excess of 5 gallons in a building or in excess on 10 gallons outside of a building. Operational permit required for floor finishing or surfacing operations exceeding 350 square feet using Class 1 or Class II liquids. Operational permit required for floor finishing or surfacing operations exceeding 350 square feet using Class 1 or Class II liquids. Operational permit required to display, operate or demonstrate liquid-or gas-fueled vehicles or equipment in assembly buildings. Operational permit required to to so open flame candles in connection with assembly areas, dining areas of restaurants or drinking establishments. Operational permit required to operate an air-supported temporary membrane structure or a tent having an area in excess of 200 square feet or a canopy in excess of 400 square feet. (Check exceptions) To	TROTOGED TEE SCHEDCEE CHIEFO	, LD	I
