Dear Mayor Foy and Members of the Chapel Hill Town Council,

I write to express the Chamber's support for Mr. P.H. Craig's application to modify The Courtyard Special Use Permit and rezone his properties to "Town Center."

By modifying the SUP and rezoning Mr. Craig's lots, 30 new parking spaces will be created on the west end of Franklin Street and 130 spaces will be made available for lease. The creation of new spaces would be of tremendous benefit to businesses in the west end and their employees.

We hope that you will encourage this proposal through the comments you make tonight and, when the time comes, that you will approve it.

Sincerely,

Aaron M. Nelson
