MEMORANDUM

**Evaluation of the Protest Petition
Against the Proposed Zoning Atlas Amendment
to Rezone the Residences at Grove Park Development
from R-4 and R-6 to R-SS-C**

Sabrina Oliver
Chapel Hill Town Clerk
Communications and Public Affairs Department
Town of Chapel Hill, N.C.
September 8, 2008

Sabrina:

I have evaluated the protest petition regarding the proposed Zoning Atlas Amendment to rezone the Residences at Grove Park Development from R-4 and R-6 to R-SS-C. You certified receipt of this protest petition on September 5, 2008.

This petition is valid and sufficient under State Law G.S. 160A-385 by having the signature of the official authorized by a company having ownership of 5% or more of the land area within the 100-foot-wide buffer extending along the entire boundary of the area proposed to be rezoned.

My finding is that an owner of 22.9% of the land area contained within this 100-foot-wide buffer area has signed the petition.

Exhibit A
PROTEST PETITION

WHEREAS, Northampton Terrace Investors LLC (the "Company") owns improved real property in the Town of Chapel Hill, North Carolina, adjacent to real property commonly known as the Town House Apartments with respect to which there has been filed with the Town of Chapel Hill a re-zoning petition pursuant to which such property would be redeveloped as a condominium and town house project to be know as the Residences at Grove Park, which redevelopment will include a substantial increase in the density of use of such property; and,

WHEREAS, individual persons living at the Town House Apartments property routinely have trespassed upon the adjacent property of the Company, including destroying fences erected by the Company to preclude such trespassing, in a manner likely to result in personal injury or death and until the proponent of the proposed re-zoning is agreeable to constructing and maintaining a fence to preclude such continued trespassing, the Company desires to oppose the re-zoning petition.

NOW, THEREFORE, IT IS HEREBY RESOLVED, that until such time as the Company shall receive adequate assurances from the proponent of such re-zoning that the proposed redevelopment of the Town House Apartment property will not have a material adverse impact on the value of the adjacent property of the Company by agreeing to construct and maintain a fence along the common border, the Company shall file and maintain a protest petition with respect to such re-zoning.

RESOLVED FURTHER, that the Company hereby approves the form of the protest petition submitted by the Manager of the Company and authorizes David S. Morris, as President of DSM Asset Management, Inc., the Manager of the Company, to take any and all steps which, in his judgment, are necessary or desirable to cause the Company to protest the proposed re-zoning of the Residences at Grove Park (a/k/a Town House Apartments) and further authorizes David S. Morris, as President of the Manager, in the name and for and on behalf of the Manager and the Company to execute, attest, acknowledge and deliver the protest petition, with any changes therein or additions thereto as may be approved by David S. RESOLVED FURTHER, that upon satisfaction of David S. Morris that the concerns of the Company as described above have been resolved by a legally binding agreement between the Company and the proponent of such re-zoning, David S.
