ETHICS GUIDELINES FOR TOWN ADVISORY BOARDS AND COMMISSIONS

(Please check if you agree.)

Yes, if appointed, I pledge to comply with the following ethics guidelines for advisory boards and commissions as adopted by the Chapel Hill Town Council. (Other Council committees and OWASA are excluded.)

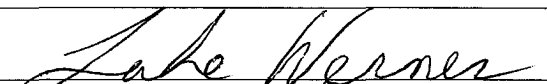

Members of advisory boards and commissions shall not discuss, advocate, or vote on any matter in which they have a conflict of interest or an interest which reasonably might appear to be in conflict with the concept of fairness in dealing with public business. A conflict of interest or a potential conflict occurs if a member has a separate, private, or monetary interest, either direct or indirect, in any issue or transaction under consideration. Any member who violates this provision may be subject to removal from the board or commission.

If the advisory board or commission member believes he/she has a conflict of interest then that member should ask the advisory board or commission to be recused from voting. The advisory board or commission should then vote on the question on whether or not to excuse the member making the request. In cases where the individual member or the advisory board or commission establishes a conflict of interest, then the advisory board or commission member shall remove themselves from the voting area.

Any advisory board or commission member may seek the counsel of the Town Attorney on questions regarding the interpretation of these ethics guidelines or other conflict of interest matters. The interpretation may include a recommendation on whether or not the advisory board or commission member should excuse himself/herself from voting. The advisory board or commission member may request the Town Attorney respond in writing.

Please provide a brief statement outlining why you wish to serve on the Advisory Boards, Commissions, or Committees you have indicated.

I am a year round bicycle commuter who is new to the area and excited to be a part of an advisory board that will affect both myself and fellow town residents. I hope to help improve bicycle/pedestrian safety in the area as well as making it more convenient for more to enjoy.

I would like to be considered for service to the OWASA Board of Directors, Chapel Hill seat. I have enjoyed the benefits of being part of this community for 12 years and would like to give back by serving the OWASA Board.

I feel that sustaining healthy + reliable water resources is, perhaps, the most important challenge that our communities and all communities are facing. We are fortunate to have a well-run and forward thinking water and sewer authority. I hope my efforts will help continue that tradition.

I think I'll bring good judgement, dependability, and technical capability to the OWASA Board. I have a technical background, do my homework, and keep an open mind in discussions. I have experience in working as part of a board through volunteer work with the PTSA, a swimming pool board of directors, and in various church activities. Thank you for your consideration

As the executive director of the Chapel Hill Museum, an organization devoted to conserving and preserving Chapel Hill's cultural history, I believe I would bring a unique perspective to the efforts of the Public Arts Commission. I have participated in PAC's sculpture vision panel since 2005 and have collaborated with PAC on their community art projects since 2004. By being involved in Chapel Hill's arts community as well as a caretaker of our town's vivid history, I believe I can effectively represent a diverse selection and interest of cultural assets to the citizens of Chapel Hill.

I am particularly interested in local transportation issues and follow them closely. I feel I would be an invaluable addition to the transportation board.

I also feel I could make a valuable contribution to the Arts Comm. Since I have been an artist & businessman for over thirty years. I am currently a screenwriter and own my own video production company.

ETHICS GUIDELINES FOR TOWN ADVISORY BOARDS AND COMMISSIONS

(Please check if you agree.)

Yes, if appointed, I pledge to comply with the following ethics guidelines for advisory boards and commissions as adopted by the Chapel Hill Town Council. (Other Council committees and OWASA are excluded.)

Members of advisory boards and commissions shall not discuss, advocate, or vote on any matter in which they have a conflict of interest or an interest which reasonably might appear to be in conflict with the concept of fairness in dealing with public business. A conflict of interest or a potential conflict occurs if a member has a separate, private, or monetary interest, either direct or indirect, in any issue or transaction under consideration. Any member who violates this provision may be subject to removal from the board or commission.

If the advisory board or commission member believes he/she has a conflict of interest then that member should ask the advisory board or commission to be recused from voting. The advisory board or commission should then vote on the question on whether or not to excuse the member making the request. In cases where the individual member or the advisory board or commission establishes a conflict of interest, then the advisory board or commission member shall remove themselves from the voting area.

Any advisory board or commission member may seek the counsel of the Town Attorney on questions regarding the interpretation of these ethics guidelines or other conflict of interest matters. The interpretation may include a recommendation on whether or not the advisory board or commission member should excuse himself/herself from voting. The advisory board or commission member may request the Town Attorney respond in writing.

Please provide a brief statement outlining why you wish to serve on the Advisory Boards, Commissions, or Committees you have indicated.

As a resident / property owner in the Historic District since 1993, I have a sincere interest in preserving and protecting our historic districts. I have been active over the past fifteen years in both the Preservation Society of Chapel Hill and the Chapel Hill Historical Society. I am the newly elected 1st Vice President of the PSC (term began January 1, 2010). While living in Edenton most of the time, I was appointed to the board of the Edenton Historical Commission, a state-appointed board that works to promote the heritage and history of Edenton and Chowan County. I would be privileged to serve on the Historic District Commission now that I have returned to Chapel Hill full-time.

THE BUS SYSTEM IS DYSFUNCTIONAL FOR NORMAL WORKING PEOPLE ON NORMAL ROUTES. THE PEOPLE WHO HAVE DESIGNED THIS SYSTEM DO NOT RIDE IT, SO THEY ARE UNAWARE OF ITS FLAWS AND DYSFUNCTIONS THEY HAVE CREATED. THIS MUST CHANGE, AND AS A USER OF THE BUS DAILY, I CAN CHANGE IT FOR THE BETTER, EASILY, I FEEL, IF GIVEN THE OPPORTUNITY.

SOCIAL SERVICES NEED STREAMLINING WITH LESS BEAUREAUCRATIC WAITING TIME FOR DELIVERY OF SERVICES.

PLANNING NEEDS TO EMBRACE SMART INFILL DEVELOPMENT AND HIGHER 'AIR RIGHTS' ESPECIALLY IN DOWNTOWN FOR DENSITY AND MORE VIBRANT, YEAR-ROUND COMMUNITY BUILDING, THAT ESPECIALLY INCLUDES DEVELOPMENT ECONOMICALLY OF MINORITY NEIGHBORHOODS.

MORE ART IN PUBLIC SPACES IS NEEDED, AND IS ALWAYS GOOD ADDITION TO THE DOWNTOWN AMBIANCE.

ETHICS GUIDELINES FOR TOWN ADVISORY BOARDS AND COMMISSIONS

(Please check if you agree.)

____ Yes, if appointed, I pledge to comply with the following ethics guidelines for advisory boards and commissions as adopted by the Chapel Hill Town Council. (Other Council committees and OWASA are excluded.)

Members of advisory boards and commissions shall not discuss, advocate, or vote on any matter in which they have a conflict of interest or an interest which reasonably might appear to be in conflict with the concept of fairness in dealing with public business. A conflict of interest or a potential conflict occurs if a member has a separate, private, or monetary interest, either direct or indirect, in any issue or transaction under consideration. Any member who violates this provision may be subject to removal from the board or commission.

If the advisory board or commission member believes he/she has a conflict of interest then that member should ask the advisory board or commission to be recused from voting. The advisory board or commission should then vote on the question on whether or not to excuse the member making the request. In cases where the individual member or the advisory board or commission establishes a conflict of interest, then the advisory board or commission member shall remove themselves from the voting area.

Any advisory board or commission member may seek the counsel of the Town Attorney on questions regarding the interpretation of these ethics guidelines or other conflict of interest matters. The interpretation may include a recommendation on whether or not the advisory board or commission member should excuse himself/herself from voting. The advisory board or commission member may request the Town Attorney respond in writing.

Please provide a brief statement outlining why you wish to serve on the Advisory Boards, Commissions, or Committees you have indicated.

Being a Chapel Hill resident I feel it is my obligation to become part of the fabric of the local environment. It is through volunteerism that our small towns and cities thrive. I feel it's crucial for as many people as possible should volunteer to support our local resources.

Thank you

ETHICS GUIDELINES FOR TOWN ADVISORY BOARDS AND COMMISSIONS

(Please check if you agree.)

Yes, if appointed, I pledge to comply with the following ethics guidelines for advisory boards and commissions as adopted by the Chapel Hill Town Council. (Other Council committees and OWASA are excluded.)

Members of advisory boards and commissions shall not discuss, advocate, or vote on any matter in which they have a conflict of interest or an interest which reasonably might appear to be in conflict with the concept of fairness in dealing with public business. A conflict of interest or a potential conflict occurs if a member has a separate, private, or monetary interest, either direct or indirect, in any issue or transaction under consideration. Any member who violates this provision may be subject to removal from the board or commission.

If the advisory board or commission member believes he/she has a conflict of interest then that member should ask the advisory board or commission to be recused from voting. The advisory board or commission should then vote on the question on whether or not to excuse the member making the request. In cases where the individual member or the advisory board or commission establishes a conflict of interest, then the advisory board or commission member shall remove themselves from the voting area.

Any advisory board or commission member may seek the counsel of the Town Attorney on questions regarding the interpretation of these ethics guidelines or other conflict of interest matters. The interpretation may include a recommendation on whether or not the advisory board or commission member should excuse himself/herself from voting. The advisory board or commission member may request the Town Attorney respond in writing.

Please provide a brief statement outlining why you wish to serve on the Advisory Boards, Commissions, or Committees you have indicated.

I've developed a life passion for environmental protection at the local level and I enjoy problem solving water quality and water supply policy issues. As a Council veteran, I am aware of the need to maintain good communication between the OWASA Board and the Town, by ensuring that OWASA actions are fully understood by the rate base and elected leaders.

THE BUS SYSTEM IS DYSFUNCTIONAL FOR NORMAL WORKING PEOPLE ON NORMAL ROUTES. THE PEOPLE WHO HAVE DESIGNED THIS SYSTEM DO NOT RIDE IT, SO THEY ARE UNAWARE OF ITS FLAWS AND DYSFUNCTIONS THEY HAVE CREATED. THIS MUST CHANGE, AND AS A USER OF THE BUS DAILY, I CAN CHANGE IT FOR THE BETTER, EASILY, I FEEL, IF GIVEN THE OPPORTUNITY.

Being a Chapel Hill resident I feel it is my obligation to become part of the fabric of the local environment. It is through volunteerism that our small towns and cities thrive. I feel it's crucial for as many people as possible should volunteer to support our local resources.

Thank you
