Notes:

All taxable property is assessed at 100% of appraised value and revaluation is effective January 1 of given year.

* All counties must revalue real property at least every 8 years, but may elect to revalue more frequently. These counties have adopted a more frequent revaluation schedule.

** These cities levy and/or collect their own school administrative unit taxes. Other school district levies are administered by the counties.

*** Tax rates for municipal service districts apply only to certain areas within the municipalities and not to all municipal property. Rates are shown in the NOTES column.
