### MEMORANDUM

TO: Mayor Foy and Council  
FROM: Pam Hemminger, Chair, Parks and Recreation Commission  
RE: Street Fair Review Committee Report Recommendations  
DATE: August 21, 2003

At its August 20 meeting, the Commission voted unanimously (9-0) to forward the following recommendation regarding the recommendations contained in the Street Fair Review Committee Report:

The Commission strongly supports all recommendations contained in the Street Fair Review Committee Report. The Commission is particularly pleased with the recommended formation of a citizen Street Fair Steering Committee to work with the staff throughout the year to develop, implement, and evaluate the street fair planning process while reporting their findings to the Council annually. In addition, the Committee recommends that the staff be directed to rework the placement of vendors in the middle of the street if possible to open space in front of downtown merchants' businesses to encourage their involvement in the street fairs.

In addition, the Commission thanks the members of the Street Fair Review Committee for their time and hard work on this community issue.

The Parks and Recreation Commission voted to forward this recommendation, with voting as follows:
