Subject: resolution to support the Presidents efforts

Dear Mayor and Council,

Millions of Americans, and many thousands of towns and cities across the U.S. support the President's efforts to secure freedom for those oppressed in Iraq, and to shore up the security of the United States homeland in light of the 9-11 attack. A University town such as Chapel Hill in particular has much to be thankful for based on the President's efforts and leadership to secure freedom for those at home and abroad. Therefore, as a citizen of this community, and as a candidate for City Council, I ask the Chapel Hill City Council to show support for the country at a time of great need, and in particular the men and woman in our armed services sacrificing for our freedom, this to be done by drafting and supporting a resolution to show thanks to our President and particularly the men and woman in the armed forces. Such a resolution, signed by the Mayor and Council members, would then be forwarded to the President, and to the appropriate leadership in the armed forces. Who would benefit from such a resolution? The citizens of Chapel Hill, and those service men and woman from North Carolina who sacrifice daily for the basic freedoms we enjoy in North Carolina and particularly Chapel Hill.

Sincerely,

Woodrow Barfield
