TOWN OF CHAPEL HILL

RE: Proposed Parking Regulations for Davie Circle

Dear Resident:

The Town has received a request from an owner of property on Davie Circle to revise the existing on-street parking regulations on Davie Circle. Currently, on-street parking is prohibited at all times along inside of Davie Circle, and on-street parking is allowed at all times along the outside of the circle. We have been advised that some cars regularly parked on Davie Circle are not owned by Davie Circle residents; and that some vehicles are parked on Davie Circle for long-term storage.

The request is that all on-street parking on Davie Circle be restricted to "No Parking Except by Residential Permit".

We would like to know your opinion regarding the requested on-street parking changes.

Please fill out the survey below and return it to us in the attached envelope by October 13, 2003.

_____ I support the "No Parking Anytime Except by Residential Permit" on Davie Circle.

_____ No, I do not support the "No Parking Anytime Except by Residential Permit" on Davie Circle.

_____ No preference.

Thank you for your attention.
