

EXISTING PUBLIC WORKS FACILITY
October 2003

Employee Parking
Doubled-up parking in drive aisles

Administration
100 square feet used for mail/copy/printing/fax and hallway

Field Operations
Sign production/storage area very cramped

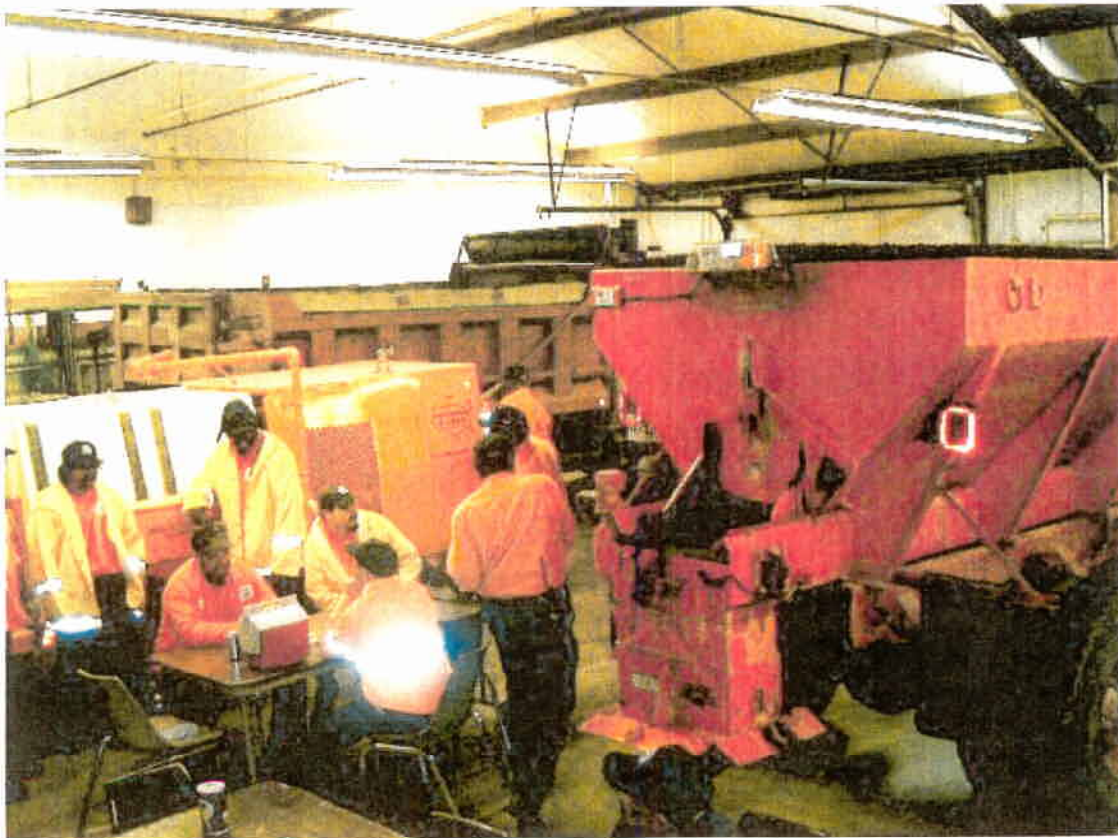

Landscape Bay, Field Operations Building
Unconditioned bay space used for lockers, uniform storage, and meeting functions. Furniture must be folded and stored to provide space for equipment maintenance and other uses of the bay.

Field Operations

Unconditioned work bay used for crew leader offices and crew meeting space

Field Operations

Crews use unconditioned bay space for mid-day break.

27

**Fleet Maintenance
Parts storage area**

**Fleet Maintenance
Temporary parts storage areas**

Fuel Island

Fire truck is fueling. Sanitation truck is waiting for access to the wash pit while limiting access to fuel pumps. Location of island in center of compound results in hazardous vehicle movement conflicts and congestion.

Fleet Maintenance

Large equipment does not fit in existing bays. Cannot efficiently heat bays.

7 (29)

Administration and Sanitation

Single existing large conference room is also used as Sanitation crew area, uniform staging area, and Emergency Operations Center.
