

AGENDA #3a(6)

November 7, 2003

Town Council of Chapel Hill
Attn: Engineering Department

Dear Sir or Madam:

I am writing to request your consideration of placing a traffic calming area on Nottingham Drive – The Oaks in Chapel Hill. Having been a resident of Nottingham Drive for the past five years, it has become increasingly apparent of the potential danger which occurs each day on Nottingham Drive due to excessive speeders. I know that you have recently added such traffic calming areas on Pinehurst Drive, and I believe that we are in need of one as well. At times, I have witnessed people driving in excess of 50 miles per hour down our otherwise quiet, residential street.

After speaking with a couple of people in your engineering department, they recommended that I initiate a dialogue with this Petition for a traffic calming area on Nottingham Drive.

I would like to hear from you in the near future. Please do not hesitate to contact me via email at jmsalems@ncimginc.com or cell 919.270.7611 or home 919.929.5989.

Thank you in advance for your consideration to this matter.

Sincerely,

Jeremy M. Salemsom
Homeowner – 217 Nottingham Drive
