

SUMMARY OF TRANSPORTATION BOARD ACTION

Subject: Triangle Regional Transit Consolidation Plan

Meeting Date: October 21, 2003

Recommendation: The Transportation Board reviewed the Triangle Regional Transit Consolidation Plan and voted 5-0 to recommend the following comments to the Town Council:

Chapel Hill Transit provides exceptional service to Chapel Hill, Carrboro and the University of North Carolina. That service would not be enhanced by consolidation proposed in the Plan.

The Board supports improved coordination and cooperation between Chapel Hill Transit and other transit providers.

Chapel Hill should monitor continuing efforts at regional consolidation and assess any benefits to Chapel Hill of participating at some future date.
