

SUMMARY OF PLANNING BOARD ACTION

SUBJECT: Capital Improvements Program 2004-2019

MEETING DATE: January 20, 2004

RECOMMENDATION: The Planning Board asked for a list of current capital projects to review before making a recommendation on priorities, as well as expenditures to date. The Board has scheduled this review for its February 17, 2004 meeting.

VOTE: By consent.

COMMENT: A member expressed interest in adding transportation modeling software to the Capital Program.
