Dear Mr. Sheppard:

**SUBJECT: Town of Chapel Hill Airport Gardens Rehabilitation Bid Award**

I am writing in response to your February 25, 2004 letter regarding a Letter of Protest against the Town of Chapel Hill's bid award for rehabilitation work at the Airport Gardens public housing neighborhood, and your request for copies of documents pertaining to the work.

As requested, I am providing you with copies of all documents pertaining to the procurement of comprehensive rehabilitation work at the Airport Gardens public housing neighborhood.

Although the contract for the rehabilitation work has been awarded to Carl Garris & Son, Inc., the contract has not been executed by the Town of Chapel Hill. The Council has requested a follow-up report on the issues raised by the unsuccessful bidder before the contract is executed by the Town. We anticipate making a report to the Council on March 22<sup>nd</sup>.

If you have any questions, or need additional information, please call me at 919-968-2850 ext.11.

Sincerely,

Tina Vaughn  
Director
