MARCH 10 2004

Mr. Ralph D. Karpinos  
Town Attorney  
Town of Chapel Hill  
306 N. Columbia Street  
Chapel Hill, NC 27516

Dear Mr. Karpinos:

We are in receipt of your letter dated February 26, 2004 regarding the Town of Chapel Hill's Airport Gardens Rehabilitation Bid Award. We requested additional information from the Town of Chapel Hill's Department of Housing (CHHA) regarding the bid award, by letter, dated February 25, 2004. We cited in the letter Federal regulations and standards that grantees and sub-grantees (CHHA) should follow to handle protests and resolve disputes, and when protests are reviewed by the Department of Housing and Urban Development (HUD). Enclosed for your information is the letter sent to the CHHA.

Once this office reviews the bid information requested from CHHA, we will notify CCHA of our decision. We are cognizant of the dates that you need to report back to the Chapel Hill Town Council and will try to render a decision prior to that date.

If you have any questions, please contact Chris Boozer, Procurement Liaison, at 336-547-4000, ext. 2106.

Sincerely,

A handwritten signature in cursive script that reads "Amoes H. Sheppard".
