

**SUMMARY OF BICYCLE AND PEDESTRIAN  
ADVISORY BOARD ACTION**

**Subject:** Comments on Preliminary 2004-2019 Capital Improvements Program

**Meeting Date:** April 27, 2004

**Recommendation:** The Bicycle and Pedestrian Advisory Board recommends that the Council consider the following comments and requests when reviewing the Preliminary 2004-2019 Capital Improvements Program:

- The Board noted that the preliminary CIP did not contain funds for bicycle and pedestrian improvements. They considered that the 2003 Street and Sidewalks Bond funds should be in addition to not a replacement for CIP funding for bicycle and pedestrian improvements.

**Vote:** 8 – 0.

**Aye:** Jed Dube (Chair), Tim Saunders, Rich Killingsworth, Alice Neebe, Kate Millard, Nick Lurie, Heidi Perry, Wayne Pein

**Nay:** none

- The Board also discussed the need for funds to provide additional and replacement bus shelters and recommended that the Town Council should look for any available source of funding including match funding or bonds for bus shelters, but that the 2003 Sidewalks and Street Bond money should not be used for this purpose.

**Vote:** 7 – 1.

**Aye:** Jed Dube (Chair), Rich Killingsworth, Alice Neebe, Kate Millard, Nick Lurie, Heidi Perry, Wayne Pein

**Nay:** Tim Saunders

Mr. Saunders felt that the Board should not seek to limit the Town Council from taking whatever action it felt appropriate concerning this matter.
