SUMMARY OF PLANNING BOARD ACTION

SUBJECT: Capital Improvements Program 2004-2019

MEETING DATE: April 20, 2004

RECOMMENDATION: The Planning Board submits the following comments on the Capital Improvements Program:

Include funding in the CIP or elsewhere in the Budget for upgrades to the Town's website. The Planning Board, in a February 11, 2004 memorandum to the Council, recommended upgrades to the Town's website as a 2004-05 Budget priority.

Speed up the construction schedule for the planned traffic signal upgrade project by one year.

Include funding in the CIP for stormwater infrastructure improvements. In the event the Council does not adopt the proposed Stormwater Utility, funding will need to be added back into the Capital Improvements Program.
