George Small, P. E.
Director of Engineering
Town of Chapel Hill
306 N. Columbia Street
Chapel Hill, NC 27516-2124

Dear Mr. Small,

Division Engineer Mike Mills, P. E., has asked us to respond to your letter requesting an investigation for installation of a traffic signal at the intersection of Erwin Road (SR 1734) and Sage Road in Chapel Hill, Orange County.

We will be happy to conduct a study to determine if a traffic signal is warranted at this location. We should complete our study in four to six weeks.

If you need any additional information, please let us know.

Sincerely,

A handwritten signature in cursive script that reads "Michael E. Stout".

Michael E. Stout
Transportation Engineer

Subject: Re: Traffic Signal Investigation at Sage Rd and Erwin Rd

Kumar,

We should be completing our signal study next week. If it is found that a signal is warranted, a pedestrian crosswalk and signals would be recommended for crossing Sage Road. If you need any further information, just let me know.

Mike Stout
