**Petition for Council Consideration Preserving Airport Road**

To the Mayor and Council of the Town of Chapel Hill

This Petition is presented on behalf of the citizens and businesses present in the Council Chambers and those not able to be present, including the more than 700 citizens who have signed petitions to protect the integrity of the name of Airport Road. We ask that the Council give serious consideration to, and pass the alternative proposal that Mayor Pro Tem Edith Wiggins presented to the Council Naming Committee on June 1, 2004, and reported to the community by our local newspapers.

Whereby the name of Airport Road would remain and continue to be the mailing address for all citizens and all businesses located on Airport Road but the road would be dedicated to the Memory and Honor of Dr. Martin Luther King Jr with an official Proclamation as a "Dedicated Roadway" from I40 in the north to the Chatham County line in the south; with the necessary signage erected along its entire length. In addition, that a formidable area in the planned expansion of the Chapel Hill Public Library be dedicated as the Dr. Martin Luther King Jr. wing, where published writings, speeches and books by Dr. King and pertinent to the Civil Rights Movement be maintained. Such wing would be large enough to hold classes and lectures on Dr. King's life and the dream he shared with us all. We feel this would be a truly fitting Memorial to the greatness of the man, his dream and his teachings.

The enclosed information regarding the change of address costs to the business owners along Airport Road is presented to the Chapel Hill Town Council in support of our opposition to the changing of the name of Airport Road.

I, a business owner (operator) on Airport Road do solicit the Chapel Hill Town Council to not burden me with this unnecessary cost. I would support the memorial dedication that has been suggested in a proposed recommendation with noticeable and eye pleasing markings along Airport Road & Columbia Streets and leaving the mailing address unchanged.

Signed,

Kathy Davies

I, a business owner (operator) on Airport Road do solicit the Chapel Hill Town Council to not burden me with this unnecessary cost. I would support the memorial dedication that has been suggested in a proposed recommendation with noticeable and eye pleasing markings along Airport Road & Columbia Streets and leaving the mailing address unchanged.

The enclosed information regarding the change of address costs to the business owners along Airport Road is presented to the Chapel Hill Town Council in support of our opposition to the changing of the name of Airport Road.

I, a business owner (operator) on Airport Road do solicit the Chapel Hill Town Council to not burden me with this unnecessary cost. I would support the memorial dedication that has been suggested in a proposed recommendation with noticeable and eye pleasing markings along Airport Road & Columbia Streets and leaving the mailing address unchanged.
