RE: Development Application: UNC Development Plan Modification No. 2

DATE: May 20, 2004

The Parks and Recreation Commission met on May 19 and reviewed the information regarding the development application for the UNC Development Plan Modification No. 2. The Commission voted unanimously (10-0) to recommend that the Council approve the modification with the stipulation that due to planned sewer line's proximity to Jones Park, the applicant should take all precaution to ensure adequate tree protection, particularly in the event that any project staging be done on park property.

The Commission appreciates the opportunity to review this material.
