**Subject:** Sept. 7 Town Council Meeting

I write at the request of the Board of Directors of the Presque Isle Villas Homeowners' Association. We understand that there is an agenda item concerning Presque Isle on the agenda for the September 7, 2004 meeting of the Town Council.

We ask that you reserve time for a representative from the homeowners to briefly address the Council on this issue. It is one of great importance to us. We further request that you transfer the Presque Isle item from the Consent Agenda to the Main Agenda so that our voice may be heard.

Thank you.
