MAYOR
KEVIN FOY
Chapel Hill - N.C.

Dear Mr. Mayor,
We are a senior couple, living
in Chapel Hill and enjoying our
retirement. We, as many other
seniors cherish our walks on even,
paved paths, throughout the town.
We especially like the walks along
Lower Booker Creek and along the
creek off the Community Center which
is off Estes. They are flat, paved
and even give some shade.
Would it please be possible to
install a few benches along the
way, in both places, so we can sit
down, rest to continue our walks
for exercise. We would all be
extremely grateful and thank you
deeply for your consideration.
Yours truly
Lottie Strauss.
