Tish, can you help find the 2003 rates for Catherine? I think that's all she needs. Andi

Andi, I wish it were enough time, but the advance report needs to be in by Thursday of this week. Is there someone else who might be able to provide these? Once I have that material to insert, I will send you a draft summary so you have a chance to review.

Thanks, Catherine

Catherine, I got your voicemail last week. I apologize for the delay in getting back to you. I will forward the 2003 rates and channel line ups to you when I return from vacation this week. I will be back in the office on the 20th. Should be plenty of time for the 27th council meeting. Thanks, Andi
