SUMMARY OF HORACE WILLIAMS CITIZENS COMMITTEE ACTION**SUBJECT:** Comment on Draft 2030 Long Range Transportation Plan**MEETING DATE:** September 2, 2004**RECOMMENDATION:** Horace Williams Citizens Committee members made the following comments in their review of the draft 2030 Long Range Transportation Plan:

- Refer the Council to the Transportation and Land Use Principles section in the Principles, Goals and Strategies for the Horace Williams Property report accepted by the Town Council on March 22, 2004 (attached).
- Consider the impacts of Carolina North on traffic planning.
- Use transportation modeling software to examine traffic impacts related to the development plans for Carolina North.

VOTE: The Committee decided to submit the individual comments above to the Council.

Drafted by: Randy Kabrick, Chair
Philip Hervey, Senior Planner
